ABOUT YOUR JUDGE Carole Coode (Warringah)

I have been showing working and breeding Labradors since 1967, firstly in Australia, then Malaysia and finally in the United Kingdom since 1974.

During that time David and I have made up a total of 22 Labrador Champions, all home bred and except the first three having their full Champion title. In the past 25 years thirty percent of Full Champions in the UK in Labradors have been Warringah's. We have also made up the third highest number of Champions in Labradors in the United Kingdom, since they started showing Labradors. Winning 122 CCs and 126 res CCs.

We have owned Sussex Spaniels for 27 years, making up two homebred champions, one being the top dog in the breed for five years and top Stud dog for seven years.

We have also owned German Shorthaired Pointers for 23 years making up two male Champions and having a further two bitches with CC's. Our total number of CC's with all three breeds is 156 and 162 Reserves.

My husband works all the dogs in the kennel. He picks up 2-3 days a week in the shooting season. I give CC's in every breed in the Gundog Group except Bracco's in which I give CACIB's in Italy under the FCI Regulations. I also judge the Gundog Group.

I judge regularly abroad, having covered every country in Europe, I have also judged in Australia / New Zealand / Japan / Philippines / India / Pakistan / South Africa / Kenya / South America / USA and Canada and Russia.

I have judged all our Breeds at Crufts as well as a further four Gundog breeds and I will have judged the Gundog Group at Crufts in 2019 just before your show, I have a further breed booked at Crufts in 2021.

I am an Accredited Trainer for the Kennel Club and regularly give seminars on Conformation and Movement and the Points of the Dog to help train new prospective judges.

I also lecture from time to time on other dog related subject, Breeding / Whelping / Rearing a litter / Critique writing etc.

I have also written a well received book on the Labrador.

 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
