DOGS IN CARS

In warm weather, temperatures inside a car can be dangerously higher than those outside a vehicle, with the ability to soar to oven like temperatures of 120 degrees Fahrenheit (49 degrees Celsius) within just six to ten minutes.

If dogs are in cars in warm weather, even with windows ajar, they can quickly suffer from heatstroke and die in less than twenty minutes.

Regulations For The Preparation of Dogs For Exhibition F (Annex B)

- These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A42.
 - A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
- No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
 - Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
- No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
 - Operations certified to the satisfaction of the General Committee.
 - The removal of dewclaws of any breed.
 - Operations to prevent breeding, provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated, in the opinion of the General Committee, to deceive.
- The General Committee without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class, an objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

Dog Fouling F8(a): Any owner, exhibitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at a Kennel Club licensed Show within the licensed venue and environs of that event including the car and caravan parks and approaches. The Society will arrange for the dispersal of suitable receptacles to assist compliance with Regulation F8(a).

RULES AND REGULATIONS

- The show will open at 9.30 a.m.
- Dogs will be received at any time but it is the exhibitor's responsibility to ensure that exhibits are available for judging when required.
- Judging will commence at 10.00 a.m. for bitches, 11.00 a.m. for dogs.
- Exhibits may be removed from the Show after their judging has been completed. The Show will close half an hour after judging has been completed, by which time dogs must be removed. Exhibits may not be removed any earlier unless by written order of the Veterinary Surgeon, Veterinary Practitioner or of the Show Management and then only in very exceptional and unforeseen circumstances which must be reported to the Kennel Club.
- The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Management.
- Entry fees: 1st Entry £16 per dog. £3.50 for subsequent entries with same dog. Not For Competition £5.00. **Entries may be made online at www.dog.biz**
- No prize money is on offer at this show.
- The Committee reserves to itself the right to refuse entries.
- Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
- The mating of bitches within the precincts of the Show is forbidden.
- Best Puppy in Show.** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it will also automatically be Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes, prior to the competition for Best Puppy in Show as appropriate in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.
Proviso. For the purpose of this regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
- Best in Show.** The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from the exhibits declared Best of Sex providing they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show Must not compete in any subsequent competition.
Dogs which become eligible for Best in Show may be withdrawn from all other competition other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.
Proviso. For the purposes of this regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered as beaten dogs.
- Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
- No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement(s) in the Canine Press wherever possible.
- All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- DOGS IN CARS ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade — take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.
- Not For Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
- Exhibitors with children must ensure that they are kept under control at all times and will be held personally responsible for any damage caused by them whilst in the showground.
- Please ensure your dog is kept on a lead and under control at all times, even whilst in the exercise area.
- The committee of this Show cannot be held responsible for products advertised or sold by stand holders at this Show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of dogs for Exhibition.

Sidney Bolt (Fakenham)

I bought my first Dalmatian in 1972. I left home at 16 to start my apprenticeship and one week later bought my first Dalmatian from Catharine Gore (Duxfordham) in Grayshot.

In total I have had eleven Dalmatians and all bar two are home bred by me. In total I have bred four litters.

Three pups from these litters have been fortunate enough to be crowned Champions namely Ch. Fakenham Coppermill Lad, Ch. Fakenham Bisto Boy and latterly Ch. Fakenham Flash Gordon.

I have always looked to improve upon what I have had in the past but always been cognisant of our breed standard and its welfare.

I love this breed with a passion and feel lucky that they are part of my life and I would like to thank those who selected me for this honour of Judging at this prestigious show.

Allan Talbot (Leaveslake)

I, along with my wife bought our first Dalmatian in 1992 and they have been in our lives ever since.

We acquired the Leaveslake affix and bred our first litter in 1999. From that litter came Ch. Leaveslake Limerick at Clonheath, we have also bred several Reserve CC winners.

I judged my first Open Show in 1996, and my first Championship Show appointment was for Manchester Show in 2008.

I serve on two Dalmatian Committees, NoEDC and Northern Ireland, where I am Show Manager for the NoEDC, and the Assistant Secretary for NIDC. I am also the Show Manager for the Joint Dalmatian Clubs.

I feel honoured to have the opportunity to judge Bitches at the Joint Dalmatian Club Show, and I am greatly looking forward to the day.

DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by The Kennel Club.

Wins at Championship shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e. **13th January 2012**. Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

Withdrawal - The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.

Transfer - If a dog is ineligible for a class or classes as regards its colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct colour, sex, weight or height.

For an exhibit entered incorrectly in a Minor Puppy, Puppy or Junior class, which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open class for the correct colour, sex, weight or height.

For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.
