- No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
  - Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

## PHOTOGRAPHY AND VIDEO RIGHTS

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the Organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites - this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Organisers.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

17. **Not for Competition:** Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. **Regulation F.1.c:** Only dogs of six calendar months of age and over on the first day of the show are eligible for exhibition at Kennel Club licensed shows. However societies may accept Not for Competition entries at their discretion and dogs aged four calendar months and over are eligible to enter Not for Competition at all Kennel Club licensed shows. Furthermore, dogs aged four calendar months and over are eligible for Match Competitions.
18. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. The show will be held under Kennel Club Limited Rules and Show Regulations. Every exhibitor making an entry or entries at this show shall be deemed to have agreed to abide by these Rules and Regulations and it is on this understanding only that entries are received.
20. The Committee of this show cannot be held responsible for products advertised or sold by standholders at the show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
21. Exhibitors/handlers are responsible for clearing up and removing any loose hair or fouling from dogs in their charge, or any other litter, whether from the car park, the exercise area or from any other part of the venue.
22. Parents/Guardians please note, well behaved children are welcome but those in charge of children will be held fully responsible for their actions and any damage caused within the environs on the show.
23. Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licenced event must ensure at all times that the dog is kept under proper control whilst at the licenced venue including its environs, car parks and approaches.
24. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved amongst other things to have been registered or recorded as having been bred by the scheduled judge. This shall not apply to a judge appointed in an emergency.
25. **Soft Crates:** The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
26. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. 15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
