## Torquay & District Canine Society Data Protection

Due to changes in the data protection laws we are required to have a policy for how we manage your personal data.

“Data minimisation” is one of the overarching principles in the General Data Protection Regulation. It requires personal data to be retained only for so long as is necessary. Personal data should therefore only be kept as long as is strictly necessary and organisations should define time limits OR have criteria to determine when data should be disposed/deleted securely.

### Retention Policy:

Torquay & District Canine Society will only retain personal data for as long as necessary to fulfil the purposes for which it was collected, including for the purposes of satisfying any legal accounting, or reporting requirements.

Personal data can be further processed and stored for archiving in the public interest and statistical and historical research purposes. When doing so we will consider: any link to the members/exhibitors/judges, the nature of the data, the consequences of further processing and the existence of appropriate safeguards. Also, whether such data can be ‘anonymised’ if being preserved for archives.

### Financial Records:

There is statutory requirement to keep financial records for seven years. However, records may be kept for the last eight years, in order to ensure that year ends are available. Beyond the eight year point, there is little justification in keeping bank statements, cheque stubs etc. unless there was an incident which was of particular significance.

### Membership Lists:

Old membership lists may have some historical value and/or statistical value Torquay & District Canine Society will consider how long is practically useful.

### Constitutions:

Out of date constitutions come into the same category. Whilst details of changes will be included in AGM reports, there may be a historical interest in retaining original versions where possible, and which can be displayed as part of commemorative exhibitions.

### Show Catalogues:

Show catalogues can provide a gold mine of information and statistics, as well as forming an important historical record. Show entry forms must be retained for twelve months after the show.

### Committee and AGM/SGM Minutes and Documents:

Committee minutes and documents relating to AGMs and SGMs must be retained as the definitive record of all club business together with the decisions made and policies agreed. Also as information resource to resolve any procedural issues or disputes.

**AGM on 8th May 2019 at 7.30pm  
held at Paignton Court B&B, TQ4 6EG**

**All welcome, some officers required. All nominees to agree and

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Best Puppy in Group and subsequent Group placings must be selected from:

- 13 Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
- 14 All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 15 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

- 16 **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade — take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
 Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
