## Torquay & District Canine Society Data Protection

Due to changes in the data protection laws we are required to have a policy for how we manage your personal data.

“Data minimisation” is one of the overarching principles in the General Data Protection Regulation. It requires personal data to be retained only for so long as is necessary. Personal data should therefore only be kept as long as is strictly necessary and organisations should define time limits OR have criteria to determine when data should be disposed/deleted securely.

### Retention Policy:

Torquay & District Canine Society will only retain personal data for as long as necessary to fulfil the purposes for which it was collected, including for the purposes of satisfying any legal accounting, or reporting requirements.

Personal data can be further processed and stored for archiving in the public interest and statistical and historical research purposes. When doing so we will consider: any link to the members/exhibitors/judges, the nature of the data, the consequences of further processing and the existence of appropriate safeguards. Also, whether such data can be ‘anonymised’ if being preserved for archives.

### Financial Records:

There is statutory requirement to keep financial records for seven years. However, records may be kept for the last eight years, in order to ensure that year ends are available. Beyond the eight year point, there is little justification in keeping bank statements, cheque stubs etc. unless there was an incident which was of particular significance.

### Membership Lists:

Old membership lists may have some historical value and/or statistical value Torquay & District Canine Society will consider how long is practically useful.

### Constitutions:

Out of date constitutions come into the same category. Whilst details of changes will be included in AGM reports, there may be a historical interest in retaining original versions where possible, and which can be displayed as part of commemorative exhibitions.

### Show Catalogues:

Show catalogues can provide a gold mine of information and statistics, as well as forming an important historical record. Show entry forms must be retained for twelve months after the show.

### Committee and AGM/SGM Minutes and Documents:

Committee minutes and documents relating to AGMs and SGMs must be retained as the definitive record of all club business together with the decisions made and policies agreed. Also as information resource to resolve any procedural issues or disputes.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Best Puppy in Group and subsequent Group placings must be selected from:
  - a) Those puppies declared Best Puppy in Breed.
  - b) The puppy declared Best Puppy from the Any Variety Not Separately Classified classes in each group or on each day.

- 11 **Best in Show.** The dog declared Best in Show is a dog which has competed and has been declared Best of Breed, Best Any Variety Not Separately Classified or Best Any Variety Imported Breed Register.
  - a. Shows Judged on the Group System  
(Definition; Shows judged on the Group System includes classes for breeds within more than one group, as defined in Kennel Club Regulation B(A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show.)
    - 1) Best of Breed  
Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.
    - 2) Best of Group  
Best of group and subsequent placings must be selected from:-

- 12 Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
- 13 Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
- 14 All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 15 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

- 16 **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade — take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
- 17 Not For Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
- 18 No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

- These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A 42.
- No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
  - Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

  - Operations certified to the satisfaction of the General Committee.
  - The removal of dew claws of any breed.
  - Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.

Nor must anything be done calculated in the opinion of the General Committee to deceive.
- The General Committee without previous notice may order an examination of any dog at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.
