  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

**THE ROYAL CANIN PUPPY STAKES**—For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

**GOOD CITIZEN DOG SCHEME STAKES**—For dogs that have achieved their GCDS Bronze Award Certificate or above.

**YKC STAKES**— Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying stakes class. Dogs must be on the Kennel Club Breed Register to compete in a YKC stakes competition. The first placed member only in each dog group at the qualifying show will qualify for Crufts. A rosette will be awarded. If a member is disqualified, the qualification does not roll down to the next placing. All pedigree dogs are eligible to take part provided the dog is registered on the Kennel Club Breed Register. The dog must be registered a) solely or jointly in the member's name or b) in the name of a close member of the family (i.e. a group of people related by blood or by marriage) and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted — the dog must be handled by the registered YKC member. Members are not permitted to allow another individual to show their dog at the qualifier on their behalf if they are not able to attend the class, unless agreed by the YKC Office prior to the show. Members must be aged 6 - 24 years (members 6 years and up to, but not including 25th birthday). Please note that membership of the YKC terminates on a member's 25th birthday. Therefore if a member is aged 25 years or over by the first day of Crufts they will be unable to compete in any YKC class. Please keep this in mind when entering qualifiers throughout the competing year. In order to enter any YKC competition you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions.

**YKC HANDLING CLASSES**—Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying class. Qualification is on a points basis as follows: 1st place = 30 points; 2nd place = 20 points; 3rd place = 10 points. Members will receive points per group (i.e. if they handle a Bloodhound, they will get points towards the Hound group). If a member gains 30 points in any one group, they will qualify to enter a dog from that group at Crufts 2019. If a member gains 30 points or more in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. A full copy of the 2018 rules (for Crufts 2019) can be found here: <http://www.ykc.org.uk/media/8824/ykc-handling-regulations-2018-crufts-2019.pdf>. The classes are divided into three age groups: 6-11 years (6 years and up to, but including 12th birthday), 12-17 years (12 years and up to, but not including 18th birthday), 18-24 years (18 years and up to, but not including 25th birthday). In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions.

**NOT FOR COMPETITION**—Societies may at their discretion, accept Not For Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

**KENNEL CLUB BREEDERS' COMPETITION**—Each team will consist of a minimum of three and maximum of four dogs of one breed, all bred by the same breeder or breeding partnership. The breeder enters the class and then arranges which dogs are exhibited on the day of the show. Please clearly state the name and affix of the registered breeder(s). Entries will not be taken on the day of the show. Teams will be awarded points/prize money in the KC Breeders' Competition as follows: Points 1st 30; 2nd 15; 3rd 10; 4th 5. Prize Money 1st Non ABS Prize Fund £20; ABS Prize Fund £25. Please note that Assured Breeders will be credited with a higher prize value. These points will be recorded in the Kennel Club Breeders' Competition record book through the year. The minimum qualification for the Crufts final will be 50 points, with a maximum of 40 finalists including the winning teams from the European and World Dog Shows' Breeders' Competition. Our Dogs will collate the points and publish a leaderboard through the year.

## **REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (B)**

  - (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
  - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
- 2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
  - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:

- (a) Operations certified to the satisfaction of the General Committee.
- (b) The removal of dewclaws of any breed.
- (c) Operations to prevent breeding, provided that such operations are notified to the Kennel Club before neutered dogs are shown.

Nor must anything be done calculated to in the opinion of the General Committee to deceive.

- 4 The General Committee without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.
