Clubs are invited to contact the Hon. Secretary either at the Show or afterwards by letter, with a view to inclusion of such added incentives. Judges at all N.W. & P.B.S. Shows are selected from Judges Lists which have been submitted by Breed Clubs. It is therefore in your interest to ensure that your Club mails us the updated lists when they are available.

THE GROUP CHAMPIONSHIP SHOW IN 2010 will be held on **SATURDAY 17th JULY**. Challenge Certificates will be on offer in all breeds which are entitled to an allocation and Rare Breeds in the Group have separate classification. DISCLAIMER: The Committee can accept no responsibility for products advertised or sold by stand holders at this show, and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

IT IS A KENNEL CLUB REQUIREMENT THAT EXHIBITORS AND HANDLERS SHALL CLEAN UP ANY FOULING BY DOGS IN THEIR CHARGE. RUBBISH BAGS WILL BE AVAILABLE FOR DISPOSAL OF DIRT.

PLEASE KEEP ALL GANGWAYS CLEAR OF BOXES AND TABLES AT ALL TIMES.

PLEASE NOTE: EXHIBITORS PASSES WILL NOT BE SENT OUT, therefore it is important to keep a note of the names of the dogs you have entered! Use the box on the front of the schedule for this purpose. If you require a receipt of entries please enclose a STAMPED ADDRESSED ENVELOPE WITH YOUR ENTRY FORM AND REMITTANCE. Note: The only proof of posting that is acceptable to the Kennel Club is the slip that is issued by any Post Office.

18. No animal other than dogs entered for the Show will be allowed within the precincts of the Show, Assistance dogs excepted.
19. **EXHIBITORS PASSES WILL NOT BE SENT OUT.** Entries can only be acknowledged if stamped addressed postcard accompanies entries.
20. **DOGS IN CARSON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events. i) When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams. ii) If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. iii) The vehicle should be as fully ventilated as possible and plenty of stops should be taken with lots of water available to drink iv) Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog v) When at the show, never leave your dog in the vehicle vi) Keep the dog in the shade - take your own shade, for example a large umbrella, and always have plenty of water available to drink so your dog stays well hydrated vii) Avoid taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time. Remember if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
- WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under KC Rules and Regulations. Future entries will not be accepted from persons found, after investigation by the committee, to have left dogs in cars to become distressed. Any such occurrence will be reported to the Kennel Club.
21. **DOG FOULING & GROOMING WASTE** —Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling and grooming waste caused by their dog(s) at any Kennel Club Licensed Show within the Licensed venue and within the environs of that event, including car and caravan parks and approaches. Any organisation holding a Kennel Club Licensed event is required to provide an adequate number of receptacles for the disposal of such fouling.
22. The ring order of judging may be altered at the discretion of the Show Management.
23. The Committee reserve the right to refuse entry of any dog which in their opinion is unfit for exhibition and will in no way be responsible for any claim for injury or compensation either occasioned by or arising out of the holding of the show, or any act or omission of any person in attendance or present thereat, and it is on this understanding only that entries will be accepted.
24. **EXHIBITORS AND HANDLERS PLEASE NOTE:** No cages or grooming tables allowed round or near the rings. Gangways must be kept clear at all times.
25. The Committee accept no responsibility for products advertised or sold by stand holders at the show, and remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the preparation of Dogs for Exhibition.
26. Parents or temporary guardians are responsible for the children they bring to the show, particularly in respect of nuisance, vandalism and damage to property. Should we have trouble in this respect, we claim the right to eject from the venue, the parents (or temporary guardians), the child(ren) and their dog(s). No refund will be made in respect of lost entries. Parents and/or temporary guardians will be held financially responsible for any act of vandalism or damage by their children and their entries may be refused at future shows.
27. The organisers shall not be liable in respect of any loss or damage whatsoever arising from the abandonment, cancellation or postponement of the dog show or any such eventuality.
28. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION (Annex B)

- 1 These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licenced event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A42. (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained there at. (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.
- 2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show. (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed and nothing can be done except (a) operations certified to the satisfaction of the General Committee, (b) the removal of dew claws of any breed, (c) the shortening of tails of customarily docked breeds, but only up to an acceptable age limit which shall be prescribed from time to time, (d) operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated, in the opinion of the General Committee, to deceive.
- 4 The General Committee, without previous notice, may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual relating to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

RULES AND REGULATIONS

- The Show will open at 8.30 a.m. Anyone entering the venue before the published show opening time is not covered by the Society's Insurance.
- Dogs will be received at any time but it is the exhibitors responsibility to ensure that exhibits are available for judging when required.
- Judging will commence at 9.30 a.m.
- Exhibits may be removed from the show after their judging has been completed. The show will close half an hour after all judging has been completed.
- The use of cooking stoves in the proximity of tenting and benching areas is forbidden except as authorised by the Show Management.
- Entry Fees: £4.00 First entry for each dog; £1.00 each subsequent entry with same dog.
- There is no Prize Money on offer at this show, but there will be Rosettes for all classes.
- The Committee reserve to itself the right to refuse entries.
- All dogs resident outside of the U. K. must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor.
- Puppies under six calendar months of age on the day of the show are not eligible for exhibition.
- The mating of bitches within the precincts of the show is forbidden.
- BEST PUPPY IN SHOW** — Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the day of the show. Where the Best of Breed, Best of Group or Best in Show is a puppy it will also automatically be Best Puppy in Breed, Best Puppy in Group or Best Puppy in Show respectively. Similarly if the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Breed, Best Puppy in Group or Best Puppy in Show respectively. Consequently the selection of Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show must follow the selection of Best of Breed, Best of Group and Best in Show respectively. **Best Puppy in Group** and subsequent Puppy Group placings, must be selected from those puppies which have been judged and which are unbeaten by any other puppy. **Best Puppy in Show** must be selected from the Best Puppy in Group winners provided they are unbeaten by any other puppy.
- Withdrawal from other competition** — Puppies which become eligible for Best Puppy in Group and Best Puppy in Show may be withdrawn from all other competition, other than breed classes and Best Puppy in Breed, prior to the competition for Best Puppy in Group and Best Puppy in Show, as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Group or Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Puppies may be withdrawn from Any Variety Classes when judged before Breed Classes. Proviso: For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
- BEST IN SHOW** — The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same show. **Best of Breed:** Where a breed is separately classified a Best of Breed must be declared. Where separate classes are provided for each sex of a breed a Best of each Sex must be selected from which the Best of Breed must be declared from those exhibits which have received an award. **Shows judged on the Group system** include classes for breeds within more than one Group, as defined in Kennel Club Regulation B(A), and require a judge to declare a Best of each Group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show. **Best of Group** and subsequent Group placings must be selected from (a) The Best of Breed winners in each Group provided they are unbeaten winning dogs. (b) The best unbeaten winning dogs from the Any Variety Not Separately Classified classes in each Group or on each day. **Best in Show** must be selected from the Best of Group winners provided they are unbeaten, Reserve Best in Show must be selected from the remaining Group winners following the selection for Best in Show.
- Withdrawal from other competition** — Dogs which become eligible for Best in Group and Best in Show may be withdrawn from all other competition other than Breed Classes and Best of Breed prior to the competition for Best of Group or Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best of Group and Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from Any Variety Classes when judged before Breed Classes. Proviso: For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
- Exhibits will not be admitted to Group or Best in Show competition after a period of 10 minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with special permission of the Show Management.
- No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
- All exhibitors must be familiar with Kennel Club Regulation F (Annex B) — Regulations for the Preparation of Dogs for Exhibition
- Should any judge be prevented from fulfilling their engagement, the Committee reserve the right to appoint another judge in their place. Exhibitors will be at liberty to withdraw from competition, but no entry fees can be refunded.

DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class, i.e. **January 14th, 2010**.

Wins in Variety Classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

A dog is not eligible for entry in Variety Classes unless also entered and subsequently exhibited in a Breed Class where such a Class is provided for which it is eligible. Exemptions from these Regulations are:

(a) a Puppy, unless a Class for dogs under 12 months of age for which it is eligible is provided for the breed.
(b) a dog in Any Variety Veteran Class (c) A dog in Any Variety Champion Class (d) A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge (e) a dog in Good Citizen Classes

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

(1) Withdrawal — The dog may be withdrawn from competition subject to the conditions of Regulations 9 (j) and 20.

(2) Transfer — (a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct colour, sex, weight or height. (b) If an exhibit is entered incorrectly in a Minor Puppy, Puppy or Junior class which is over age but under 12 calendar months, 18 calendar months or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy, Junior or Yearling class respectively for the correct breed, colour, sex, weight or height, and in the event of there being no Puppy, Junior or Yearling class respectively to the Open class for the correct breed, colour, sex, weight or height. (c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
