If a member and dog combination accumulate 30 points or more, they will qualify for the relevant class at the following Crufts. Points will be allocated for the Dog and Handler pairing. All points are reset to 0 on 1st February each year. All pedigree dogs are eligible to take part provided the dog is registered on The Kennel Club Breed Register. The dog must be registered; a. solely or jointly in the member's name or b. in the name of a close member of the family (i.e. a group of people related by blood or marriage) and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted - the dog must be handled by the registered YKC member. Members are not permitted to allow another individual to show their dog at the qualifier on their behalf if they are not able to attend the class, unless agreed by the YKC Office prior to the show. Members must be aged 6-24 years (members 6 years and up to, but not including 25th birthday). Please note if you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore, it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk and follow the 'for members' tab.

YKC HANDLING CLASSES—Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC qualifying class. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-17 years (12 years and up to, but not including 18th birthday); 18-24 years (18 years and up to, but not including 25th birthday). Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group during the year, they will qualify to enter a dog from that group at the following year's YKC Handling Crufts classes. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. YKC Handling classes may be the first and only entry for a dog at this show. If, at this show, a dog is entered in only YKC Handling class (i.e. that dog is not entered in a breed class or YKC Stakes class), that dog must be registered on either the relevant Kennel Club breed register or The Kennel Club activity register. If a dog is entered into YKC handling and any other class (i.e. a breed class or YKC Stakes class), that dog must be on the relevant Kennel Club breed register.

NOT FOR COMPETITION—Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

KENNEL CLUB BREEDERS' COMPETITION—Each team will consist of a minimum of three and maximum of four dogs of one breed, all bred by the same breeder or breeding partnership. The breeder enters the class and then arranges which dogs are exhibited on the day of the show. Please clearly state the name and affix of the registered breeder(s). Entries will not be taken on the day of the show. Teams will be awarded points/prize money in the KC Breeders' Competition as follows: Points 1st 30; 2nd 15; 3rd 10; 4th 5. Prize Money 1st Non ABS Prize Fund £20; ABS Prize Fund £25. Please note that Assured Breeders will be credited with a higher prize value. These points will be recorded in the Kennel Club Breeders' Competition record book through the year. The minimum qualification for the Crufts final will be 50 points, with a maximum of 40 finalists including the winning teams from the European and World Dog Shows' Breeders' Competition. Our Dogs will collate the points and publish a leaderboard through the year.
