#### PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However judges may allow it to happen at the end of classes or after the Best in Show is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Organisers.

#### EXHIBITORS PLEASE NOTE:

In accordance with Kennel Club guidelines, Exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

20. **Dog Fouling:** Any owner, Competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club Licensed Show within the Licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
21. **Owners' Responsibility:** All entry fees are accepted on the basis that at all times the exhibit or other property of the exhibitor is at the owner's risk and the Committee will not be responsible for any loss or damage that the exhibit or other property of the exhibitor may sustain arising from any cause whatsoever.

### Regulations For The Preparation of Dogs For Exhibition F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A 42.
  - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.

10. **Best Puppy in Show.** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
11. **Best in Show.** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.

14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

## Judge's Introduction - Paul Routledge

I have always been involved with dogs and in particular showing from an early childhood age and regularly competing in the JHA finals when Richmond was held at Ascot Racecourse.

Over my early years I grew up around GSDs and regularly showed at numerous open and championship shows. As a teenager I became involved with a local canine association and at 18 took the role of the show manager. As the years have gone by I have either owned or handled breeds across all groups and judge breeds within Working, Pastoral and Hound groups.

I first became involved with the Australian Shepherd back in 2003 and first owned one in 2005. I have been quite fortunate to have had the opportunity to learn and be mentored by some of the top breed enthusiasts in the UK and with this came the success of having owned or handled many Aussies over the years either to their Ch title or following their title including the current breed record holder. To present day, I now only have one Aussie left in our kennel Ch Scallywag The Highlander bred in Ireland by Joyce and Des Manton. Wallace gets along with our other breed which is Rottweilers and my partner Mandy's affix of Mankell, who has also been successful in her own right over the years and also presented/groomed many Aussies for the show ring.

No shows can go ahead without our various committees and with this I'm an active committee member of the Manchester Championship Dog Show and a North West Area representative on the Kennel Club Shows Liaison Council. I find it a great honour to be asked to judge at the 25th Anniversary show weekend and offer my gratitude and appreciation to the Officers and Committee of NASA for the invitation. As a judge, I'm really looking forward to the day, and to all the exhibitors have a safe journey and hope you enjoy your weekend as much as I will and remember regardless of the decisions, we all take the best dog home.

## Judge's Introduction - Vicky Leighton-Evans

As a Founder Member of NASA, I'm both honoured and delighted to be invited to Judge the Supreme BIS awards at this our 25th Anniversary Show.

A little about me: under my Brynelen affix, I've owned, bred and shown Aussies since 1990 and judged them since 1997. My many successes in the breed ring have been equalled by puppy owners who have gone on to achieve significant achievements in Agility, Cani Cross and Search and Rescue proving the versatility that Aussies should have. Longevity and freedom of significant health issues being of paramount importance for me.

I served on the NASA Committee as Secretary for several of the early years and I am enormously proud to have been part of the foundation team that formed this great Association which is still going strong today.

What a fantastic 25 years this has been for NASA. We've witnessed the changes due to KC Recognition and the withdrawal of the 6 months quarantine requirement which has resulted in many more Imports and a richer diversity of bloodlines. My personal ambitions were for NASA to promote the open discussion of health issues and also to ensure that the KC Breed Standard was more concise and reflective of the original ASCA and derived USA Breed Standard and I hope we have gone some way in achieving both these goals.

Let's hope for some lovely, sunny weather to complement all the hard work that has gone into organising this weekend and may I wish everyone a most enjoyable and celebratory few days.

Vicky Leighton-Evans.
