The Scottish Kennel Club are excited to present our double show, giving exhibitors a unique opportunity to compete in two General Championship Shows on the same day.

How to enter:

In order to enter both shows, you will need to enter each show **SEPARATELY**. The re-scheduled MAY show has a blue cover and the OCTOBER show has a yellow cover.

How it will work:

Both the 'May' and 'October' shows will run together, with the majority of breeds being judged back to back (ie May breed judging, followed by the October breed judging). Once breed judging is complete, the May and October groups will be judged.

Judging commences at 9.00am, although judging in some rings may start a little earlier if required. Any breeds with large entries will be judged in separate adjacent rings at the same time (May show - dogs followed by bitches. October show - bitches followed by dogs)

Provisionally these breeds are as follows, although this is subject to change depending on entries:

Boxer, Rottweiler, Whippet, Border Terrier, French Bulldog, CKCS, Pug, Collie (Rough), Retriever (Golden), Retriever (Labrador), Spaniel (Cocker).

COVID REGULATIONS

Due to Covid, the show will be Unbenched, areas for cages and trolleys will be clearly laid out. Chairs will not be provided and exhibitors should bring their own. SKC are planning for the show to be held safely indoors, in line with Scottish Government Covid Regulations at the time. Specific information for exhibitors, or any necessary changes will be published via our Facebook and website pages, along with Higham Press website. Information will be published as soon as we know what regulations will be in place at the time of the shows.

16. DOG IN VEHICLES ON HOT DAYS: Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. HEALTH & WELFARE OF DOGS: Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of the Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

20. RULES & REGULATIONS: The Show will be held under Kennel Club Rules and Regulations. All rules, definitions or instructions of the nature of Rules and Regulations printed for convenience in other parts of this Schedule shall be deemed to be regulations of the Show and shall have the same effect as if they formed part of these Regulations.

22. **ONCE ENTRIES HAVE BEEN RECEIVED THEY ARE NON-REFUNDABLE.**

29. ORDER OF JUDGING: A provisional order of judging will be published in the canine press in advance, but this is subject to change by the Show Management.
30. PHOTOGRAPHY & VIDEO RIGHTS: The organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission to take photographs only for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the challenge certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Kennel Club Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A11.
 - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2.
 - a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
 - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
 - (a) Operations certified to the satisfaction of the Kennel Club Board .
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Kennel Club Board to deceive.
4. The Kennel Club Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

EYE TESTING

Mr Malcolm Davidson, BVM&S, CertVOphthal MRCVS (member of BVA Eye Panel), will be in attendance on each day of the Show.

Testing under the KC/BVA Scheme for:

1) Progressive Retinal Atrophy,
2) Hereditary Cataract,
3) Retinal Dysplasia,
4) Collie Eye Anomaly,
5) PHPV & other diseases

Gonioscopy/Glaucoma Testing will NOT be available.

NOTE: Mydriatic drops which dilate the dog's pupils will be used in all eye tests. These allow a more satisfactory examination. The drops are short acting and will not affect the performance of the dogs in the show ring (If preferred, dogs may be tested after judging).

Please note that all dogs tested under the above schemes must have an identifying chip. No certificate can be issued if the chip is not present and readable at time of examination.

Although any breed can be examined for eye disease, currently only the results of those breeds that appear on Kennel Club Schedule A of the Eye Scheme are sent to the Kennel Club for inclusion on computer records and printing in the Breeds Records Supplement.

All Kennel Club registered dogs eligible: £45.00 per dog (including VAT)
